lenovo FOR THOSE WHO DO.™

THINKVISION T2220 21.5" MONITOR

A VISUAL STANDOUT.

BRILLIANT DISPLAY PERFORMANCE MEETS GREAT VALUE.

The ThinkVision T2220 display delivers crystal-clear resolution through a 21.5" screen with Full HD. It's truly a display of brilliance and ergonomic design. Able to work across different systems via DVI and VGA connectors, the T2220 simplifies any workspace with features for flexibility and space-efficiency. All this, and it's an environmental leader with numerous green certifications.

WHY BUY THE THINKVISION T2220?

1 CRYSTAL-CLEAR 21.5" FULL HD DISPLAY

View anything through an ultra-sharp, crystal-clear screen for even the most exacting content. VGA and DVI connectors ensure the same great display across multiple systems.

2 FLEXIBILITY AND SIMPLICITY

Features simplified cable management and a fully adjustable quick-release stand. Supports thin client or Tiny support via L bracket and the Lenovo USB Soundbar to free your desk of speakers.

3 A GREEN LEADER

Made of 85% post-consumer recycled material with WLED backlighting for low power consumption. Boasts many green certifications including industry-first TUV Green Mark.

WHO NEEDS A THINKVISION T2220?

1 Anyone from number crunchers to web designers who will benefit from the crystal-clear display and space-efficient design.

2 Mobile workers who need a high-quality desktop display to supplement their laptops.

3 Educational institutions that need a Green solution with features for today's digital classrooms.
